Nandha Siddha Medical College and Hospital organised various programmes in around it's locality. ***CLINICAL APPROACH OF PCOD IN SIDDHA*** was conducted at Nandha Engineering College campus, Erode. In this programme, **NANDHA SIDDHA MEDICAL COLLEGE AND HOSPITAL** and **WOMEN DEVELOPMENT CELL** of **NANDHA ENGINEERING COLLEGE** jointly organised a health awareness programme on 30.11.2021.

**NEC Principal Introductory Lecture about Siddha Medicine and Medical Team**

The medical team was lead by Dr.M.Menaka, principal along with her team members, Dr.C.Suganya, Assistant professor, Dr.K.Revathi, Consultant, and Dr.A.M.Janani, Resident Medical officer.

**Awareness Speech about PCOD by Dr.A.M.Janani**

The Medical team gave a brief Awareness speech about Clinical approach of PCOD in siddha, complications, Management and prevention, in the presence of the college principal Dr.N.Rengarajan, Teaching Fraternity, and students. The awareness speech was listened by all. All students, Non-teaching and Teaching staffs were received sufficient inputs in this programme. The queries asked by them were clarified by medical team.

**Queries are clarified by Dr.K.Revathi**

The college students and management thanked the team for the beneficiary programme. We are also thankful to Ministry of AYUSH and our management for giving this opportunity to create awareness among the women.

**Appreciation given by Principal**
