

INDUSTRIAL VISIT

@ IMPCOPS, Chennai.

Our II year BSMS students visited the pharmaceutical Industry **"IMPCOPS" - The Indian Medical Practitioners' Co-operative Pharmacy and Stores Ltd., Chennai.**

Impcops is engaged in the manufacturing of nearly 1000 number of preparations of centuries-old, time-proven traditional medicines in a reasonably modernized plant employing sophisticated techniques under expert supervision.

This is one and the only unique organization working under Co. operative Sector in the entire Asia which is engaged in the manufacturing of all the three traditional Indian systems of Medicines.
