DEPARTMENT OF PINI ANUGA VITHI OZHUKKAM
FIELD VISIT TO HERBAL FARM HOUSE AND COTTAGE INDUSTRY
(KARUPPATTI PREPARATION)

Students of BSMS third year were taken to a farm house and cottage industry(karuppatti preparation) near Gopichettipalayam,Erode on 25.7.2023.

They identified many herbal plants and rare herbal species such as krishnalilai, peiathi, HariHaranmooligai, vishanarayani, Indonesian tamarind, vellai naval, Mulla nangai and so on.

They gained medical knowledge through a vaidhyar.

Students visited the cottage industry (karuppatti preparation) nearby they learnt the technique of preparing karuppatti and they saw its preparation lively

They got a chance to taste pathaneer (theluvu) which is a major source for preparation of karuppatti. They also tasted the freshly prepared karuppatti. The trip got ended and we returned to college.
