

A DEWORMING PROGRAMME

Nandha Siddha Medical College and Hospital organised, “**A Deworming Programme**” was conducted at **Mahithar Academy High School, Nandhagiri, Kanjikovil** on 29.09.2021. The Medical Team was lead by **Dr.M.Menaka**, Principal. The medical team gave a brief awareness speech about the importance of deworming to teaching faculties and students. The awareness speech was eagerly listened by all. The queries asked by them were clarified by the medical team. After the awareness speech, **Vaividanga Mathirai**, a siddha medicine for deworming was freely distributed to 56 school students, 9 school teachers, 7 office staffs, 10 sweepers and securities.

Team of doctors:
